

Second Place Pig

Who made this picture? *They say this picture was made by Robert Baron.* What is its subject? *The picture shows a little black and white pig.* I see the image of a frame inside this picture. What does that mean? *The image of the frame shows us that this is a picture of a pig.* I don't agree; the frame inside the frame shows us that it is a picture of a picture of a pig. *Yes, you are right; this is a picture of a picture of a pig.* What is in the pig's mouth? *The pig is holding a red ribbon.* What does the red ribbon mean? *It tells us that the pig won a second place prize.* Is this a picture of the pig that won second place? *Yes, it is; he won second place.* Who gave him that ribbon? *It says it was given to him by the Westchester Photographic Society.* Who won second place, then? *Oh, the picture won second place, not the pig.* So, does this picture show the ribbon the picture won? *Yes, the pig is holding the ribbon won by the picture.* How can the second place picture of the pig show the pig holding the ribbon the picture won? *I don't know. Neither do I.*
